

The idRisk Network

idRisk is a network of specialised, independent risk advisors who are regarded as experts in their respective fields and who can provide customers with comprehensive, high quality unbiased advice on, and solutions to, all aspects of risk a company may encounter. By creating an extended network of highly skilled consultants and combining them with leading edge technology and information processes, idRisk can design, develop and deliver the best solutions to all major business risk areas.

Our Consultants

idRisk's consultants are central to our business. They come from an array of different backgrounds with diverse skill sets and experiences covering the broad spectrum of risk and its management.

idRisk's consultants are key to assisting clients in devising and implementing cost-effective solutions to their risk problems whatever they may be, utilising, where necessary, the full range of services offered by the idRisk network.

The broad range of services covered by idRisk includes:

- ⊙ Risk Management Strategy
- ⊙ Reputation Risk and Crisis Management
- ⊙ Business Continuity Management
- ⊙ Health, Safety and Environment
- ⊙ Information Risk
- ⊙ Operational Risk
- ⊙ Property & Security Risk
- ⊙ Absenteeism and Rehabilitation
- ⊙ Claims and Loss Management
- ⊙ Compliance and Performance
